

TRACK A

Gender, sex and sexuality diversity monitoring questions

Q. How would you describe your gender? (Select all that apply)

This question recognises that, for many people, their gender and/or sex encapsulates more dimensions than biology – it is intentionally inclusive.

- Woman
- Man
- Non-binary
- In another way (specify, if you wish):
- Prefer not to say

Q. How would you describe your sexual orientation? (Select all that apply)

This question recognises that, for many people, their sexual orientation encapsulates more dimensions than biology – it is intentionally inclusive.

- Heterosexual/straight
- Bisexual
- Gay/lesbian
- Queer
- Asexual
- In another way (specify, if you wish):
- Prefer not to say

Q. Do you consider yourself to be trans, or have a trans history?

Trans is a term used to describe people whose gender is not the same as the sex they were registered at birth.

- No
- Yes, please describe your trans status (for example, non-binary, trans man, trans woman)

TRACK B
